We have learnt 2 new sounds that both make the same sound.

ur

er

The Phonics Fairy says

"ur, ur, nurse with a purse."

"er, er a better letter."

ur goes in the **middle** of words.

er goes at the **end** of words.

Here is a song about **ur** and **er**, try and join in.

There is also another ir sound, you will learn more about this one in year 1.
