

Welcome to this year's 'Tabletop finger Olympics'!

Instructions:

- Look at the example instructions for the 'Finger tap' event.
- Complete a diagram for the 'Finger tap'. (Remember to include helpful labels!)
- Write your own instructions and diagrams for the 'Finger span', 'Thumb wrestle', and 'Finger penalty shoot-out' events.
- Remember to use **connectives** and **imperative verbs** to make your instructions clear.
- Remember, there must be some way of **scoring** each event. This could be by **measurements** or **totals**.
- Because this is 'Tabletop finger Olympics', all the events must feature a tabletop – and your fingers!
- Swap your instructions with a friend, and have a go at scoring each other using the 'Tabletop finger Olympics' score cards!
