

11 September 2019

Dear Parents/Carers

As part of our new topic, which we will start in week four (after the Year 6 children return from France), we would like to begin with a WOW afternoon on Monday 23rd September.

We plan to keep the focus of the topic as a surprise until then!

The main activity will involve model making using common items found around the home. Ideally each child will need:

A cereal box
A cardboard tube (kitchen roll etc)
Lots of newspaper
A small yogurt pot – Petit Filous style

We will be getting very messy, so please ensure that children also bring a set of old clothes to change in to after lunch. We will be using lots of glue and paint so clothing may get covered!

Thank you for your on-going support,

Year 5 and 6 team

Mr Baykaa-Murray

Mrs Goode

Mr Allen

Mr Dean

Miss Winter

Yours sincerely

PAUL SMITH - Head teacher
