We have now learnt all our phonics sounds in Reception!  
Watch the Phase 3 digraphs video and try to join in with  
the sounds.

Print the sound flashcards below (they now include all of the sounds learnt) or make some of your own. Hide them all around your house and then go on a sound hunt. When you find a sound, shout it out and then write it down. Can you find them all?

Keep the sound cards, you will need them for tomorrow!

Play the Phonics Read and Race game. Take turns to roll the dice, move that number of spaces and read the sound you land on. If you get it wrong move back to the space you were on previously. The first player to the end wins!

### Phonics Read and Race Game

**Instructions**

1. Roll the dice.
2. Say the sound you land on. Move back if you get it wrong.
3. Who will finish first?
