

SPELLING

When writing an instruction make sure you check your spellings in the dictionary first !!

EQUIPMENT

Include a list of what you will need to finish the job.

SENTENCES

Make sure you do short and clear sentences or bullet points. You can also use time connectives to start the sentence e.g. Firstly, After, Before

INSTRUCTION WRITING

PICTURES

Use pictures and diagrams, to help the reader follow the instructions more easily, so they know what the end product looks like.

IMPERATIVE VERBS

Imperative verbs help the reader understand what to do e.g. Pour, Whisk, Melt.
