Beauty – Bot

Do you suffer from beauty problems? If so then use the Beauty – Bot machine and soon all of your beauty problems will go away! How does it work?

To turn on Beauty – Bot press the button directed to the right of the body . These are the things that

Beauty – Bot does:

- . Nails*
- . Hair styles*
- . Outfit chooser*
and make up.

Furthermore, the outfit chooser has your wardrobe inside Beauty – Bots body . It will choose clothes for you in the following styles :

Casual
Party
Lazy
Slumber party
Sleepover
Smart workwear
and DRY!

To prepare your nails , hair or makeup you first speak through the microphone or select your style on the touch screen . It will then automatically do the style that you have asked for.

Beauty – Bot is a match made in heaven for people like pop stars . first time mums or teenagers.
