Dear Billy,

I am writing this letter to you as part of my schoolwork whilst at home during the lockdown. I attend Almondsbury C of E Primary School in North Bristol and I am working on a school project which is based on writing a formal letter to a hero of my choice.

I hope you do not mind that I have chosen my project to write to you.

Ever since you joined Bristol Rovers in 2015 I became a massive fan of yours. The reason I am a fan of yours is I like how you play football. The way in which you control the ball using both feet, taking players on, your passing, movement and how you shoot and score amazing goals is outstanding.

One of my favourite goals of yours was when you scored for the Gas was against Dagenham & Redbridge when you collected the ball out on the right and beat two defenders and sliced it in the bottom right corner.

I look out for the PNE results to see if you have scored and won the game.

I would really appreciate if you could kindly send me something signed so I can show all my friends at school as part of my project.

Wishing you all the best in your footballing career.

Yours Sincerely,

Zac Stooke
