Let's start today's phonics session by practising singing the alphabet song.

Here is a video of the Alphablocks singing it, can you join in too?

Now let's practise reading our sounds. Ask a grown up to point to a sound, can you say the sound and do the action? Take turns to read a sound, you could print out this page and colour in a box each time you get a sound correct or you could use your flashcards.

Who will get the most?!

Now let's use our sounds to read some words.

Play the Pick a Picture game online on Phonics Play, select the Phase 3 Digraphs option.

Alternatively, you could write some words for your child to read using the blending bookmarks, and ask them to draw a picture to match.

Don't forget to keep practising reading your Blending Bookmarks too.
