

Friday 12th June 2020

This term we are going to recap our digraphs and trigraphs and then use them to read and write longer words.

Practise these sounds...

This video reminds us of when to use each sound.

Here are some pictures, they have the *ai* or *ay* sound in them, can you write the correct sound in the right place? Remember *ai* goes in the middle of words, *ay* goes at the end of words, don't forget about the tails from the video.

Talk about this picture together, what is happening in the picture? What is in the picture?

Point to the sound bubbles and ask your child to say each sound. Write a label for the items in the picture, make sure you include the sound in the bubble.

(You can print the picture below or just write a list on a separate piece of paper).

You could also write some sentences using the items that you have labelled.
