

Crackers Maracas lyrics

I went to town with my crackers maracas,
And I'll tell you what I could see.
I could see dancing with crackers maracas,
So I said, **(spoken)** 'Will you dance with me?'

(Sung) We danced to the left, to the left, to the left,
We danced to the right, to the right, to the right.
We danced in the air, in the air, in the air,
We danced by our feet, by our feet, by our feet.

We danced all around and around and around.
We danced all around the other way too.
And then we stopped and looked at each other,
And then we said, **(spoken)** 'Thank you!'
