

Tricky Words

Here are the tricky words rearranged to link to the 'usual' end of Reception expectations. However, due to Covid-19 it is expected that not all children will meet these expectations this year and the work in Year 1 will therefore be adapted to reflect this. We have banded them to help you target the priority areas to practise while you are at home, if you are able to.

Remember to ensure that your child can read the word confidently before you expect them to spell it from memory.

If you have any questions about this, please do not hesitate to contact us.
