

Egg Box Dragon Project Evaluation Sheet

What did I make?

What Worked Well?

What did I find tricky?

What didn't work so well?

What is my favourite thing about my project?

How could I improve it next time?

If you were going to make another Egg Box Dragon, how would it look different? Use the box to draw and label a different Egg Box Dragon. It could be Mummy or Daddy Dragon, it could be a Baby Dragon or a Best Friend Dragon. Remember how you could improve and try and make this dragon even better!
You don't actually have to make this one but you could if you wanted!
