Join in with the phonics workout again, remember we say
zed not zee!

<https://www.youtube.com/watch?v=ezdSqXROWOA>

This week we have been practising 4 sounds, we need to be careful when we read and write these because they look very similar. Practise reading them again now...

Now use your sounds to read these sentences, look out for ar, or, ur and er.

I went to the farmyard in the car.

I like having popcorn for my snack.

I burst the balloon, it hurt my hand.

I sent a letter to my sister.

Now put the *ar*, *or*, *ur*, *er* in the right place
