Using the lyrics from the song 'My God is so big', talk through any words you do not understand and try and work out what it means.

Activity: As a class, sing and create actions to go with the song!

My God is so big, so strong and so mighty
There's nothing my God cannot do
My God is so big, so strong and so mighty
There's nothing my God cannot do
He made the trees
He made the seas
He made the elephants too
My God is so big, so strong and so mighty
There's nothing my God cannot do
My God is so great, so strong and so mighty
There's nothing my God cannot do
My God is so great, so strong and so mighty
There's nothing my God cannot do
The mountains are his
The rivers are his
The skies are his handy works too
My God is so great, so strong and so mighty
There's nothing my God cannot do
There's nothing my God cannot do
There's nothing my God cannot do
For you
For you
