Let's start today's phonics session by practising singing the alphabet song again!

<https://www.youtube.com/watch?v=M6VLqes1bec>

This week we have been practising 2 sounds, we need to be careful when we read and write these because they look very similar. Practise reading them again now...

Watch this Alphablocks video about the funfair, look out for the sounds *er*, *air* and *ear*.

Now use your sounds to read these sentences, look out for air and ear.

I lost my pair of socks.

Next year I will be 6 years old.

It is my turn, it is not fair.

The shop is near the park.

I went upstairs to go to bed.

The man had a long, brown beard.

Now put the air and ear in the right place

sp....

....port

rep....man

sh....ing

f....ful

h....cut

Finally end today's phonics session by playing Buried Treasure on Phonics Play (select phase 3 or 4). Use your sounds to read the words on the coins. If it's a real word drag the coin to the treasure chest, if it's a fake word drag the coin to the bin!
