8th January 2020

Dear Parents

KS1 VISIT TO AEROSPACE BRISTOL

As part of our Topic, 'Great Explorers', we have planned to take the Year 1 and Year 2 children on a trip to Aerospace Bristol Museum. The children will tour the museum and take part in an exciting 'Journey Into Space' workshop where they will look at space travel. They will investigate what sort of things astronauts need to survive in space and will even have the chance to build their own rocket.

The trip will take place on **Wednesday 22 January** for all the children in **Years 1 and 2**. They will need to be at school **at normal time**. The children will **return to school before the end of the school day**.

The children will need to come dressed in sensible clothing appropriate for the creative workshop. Each child will also need a labelled lunchbox and drink in a suitable non-breakable container. They will not need any spending money for the day. We shall need some parent helpers for this trip, so if you are interested please let your child's class teacher know.

Luckily, we have been partially funded for this trip allowing us to offer it for a reduced price. The total cost of the trip is **£6.50 per child**.

Please could you include your payment with the permission slip below which **must be returned to school by Wednesday 15 January**

Yours Sincerely

Class teachers

Mrs Leonard

Miss Hake

Mr Garcia
