9th - 13th November 2020

As part of our 'Let's Party!' celebration topic, at school this week we were going to focus on carnivals.

Begin by watching the 'JoJo and Gran Gran - It's Time for Carnival' episode on BBC IPlayer...

Here are some activity ideas linked to carnivals, some of which we were going to complete at school this week.

Please choose one activity from the list below, or you could make up your own, to complete each day.

<p>Listen to/watch some carnival music online, then make your own musical instrument e.g. a shaker, drum</p>	<p>Look at some pictures of carnival costumes, then make your own carnival mask or head dress</p>	<p>Join in with the Just Dance Kids Carnival Dance https://www.youtube.com/watch?v=iqRmjJalkda</p>
<p>Have your own carnival, make and write invitations to your family</p>	<p>Do some cooking together and make a carnival recipe, you could make a banana cake, tropical smoothie or cinnamon fried pineapple</p>	<p>Carnival costumes are bright and colourful and some have patterns on them. Look at the clothes in your house, can you identify any repeating patterns?</p>

If you are able to, please record what your child makes, learns or discovers on Evidence Me, we would love to see!

On Wednesday this week we were going to learn about Remembrance Day. Watch this video on CBeebies...

<https://www.bbc.co.uk/cbeebies/watch/poppies>

Talk to your child about why we wear poppies - to remember the soldiers and thank them for keeping us safe.

You could have a go at making your own poppy at home, here are some ideas...

Paper plate poppies

Tissue paper poppies

Fingerprint poppies

Handprint poppies

Apple printing poppies

Bottle top printing poppies
