

Tuesday 10th November 2020

This week we are learning all about the number 5.

To get warmed up, let's sing this song!

https://www.youtube.com/watch?v=u4_L7CM46M4

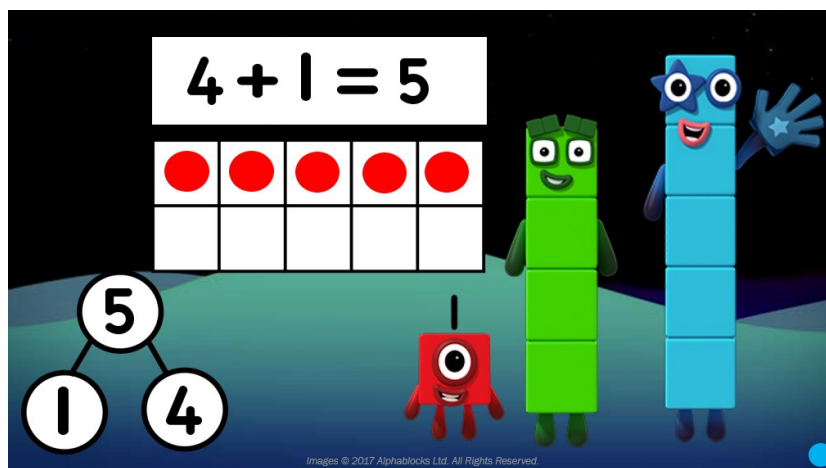

Watch the Number Blocks video on the number 5.

<https://www.bbc.co.uk/iplayer/episode/b08d630h/numberblocks-series-1-five>

How did 5 appear in the video? I jumped onto 4's shoulders and 5 appeared! Look at the part-part-whole model below and see how 1 and 4 together make 5.

Go and collect 5 things to count with and use your part-part-whole model from your maths folder to find the other parts that can make 5. What did you find?

$$4 + 1 = 5 \quad 2 + 3 = 5 \quad 0 + 5 = 5$$

Don't forget to bring something to tomorrow's session that **represents** 5.
