

Tuesday 10th November 2020

This week we are learning all about the number 5.

To get warmed up, let's sing this song!

https://www.youtube.com/watch?v=u4_L7CM46M4

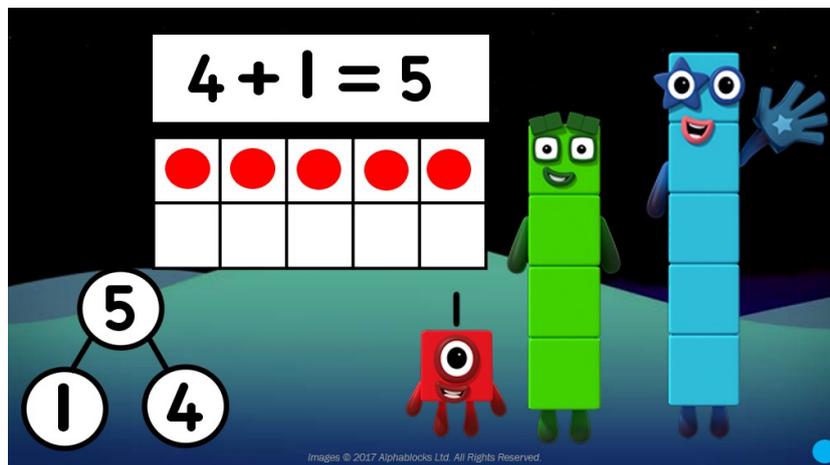

Watch the Number Blocks video on the number 5.

<https://www.bbc.co.uk/iplayer/episode/b08d630h/numberblocks-series-1-five>

How did 5 appear in the video? 1 jumped onto 4's shoulders and 5 appeared! Look at the part-part-whole model below and see how 1 and 4 together make 5.

Go and collect 5 things to count with and use your part-part-whole model from your maths folder to find the other parts that can make 5. What did you find?

$$4 + 1 = 5 \quad 2 + 3 = 5 \quad 0 + 5 = 5$$

Don't forget to bring something to tomorrow's session that represents 5.

Wednesday 11th November 2020

To get warmed up, let's sing 5 little speckled frogs.

https://www.youtube.com/watch?v=WSC-gHBU_d0

Find 5 things in your house that represent 5. Here is what I found...

Don't forget to bring a pencil and a piece of paper to tomorrow's session.

Thursday 12th November 2020

Let's get warmed up...

<https://www.youtube.com/watch?v=pZw9veQ76fo>

Find different ways of making the number 5. You might draw 5 dots, 5 crosses, 5 lines, 5 flowers.

Can you draw the digit 5? Watch this video to help you.

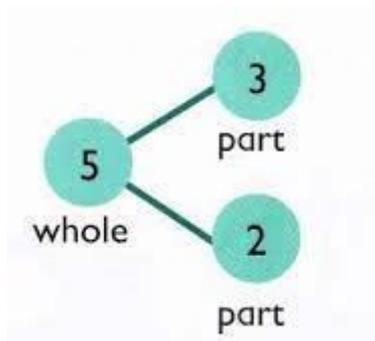

<https://www.youtube.com/watch?v=57kolpAvmTU>

Don't forget:

Short neck, belly hat, Mr 5 wears a hat!

Can you draw the part-part-whole and find the different ways to make 5? Here is an example. Can you find any others? Trying using some counting equipment to help you.

Friday 13th November 2020

What shape has 5 sides?

It's called a **pentagon**!

Watch this video to find out about pentagons. Be careful, we say **CORNERS**, not angles.

<https://www.youtube.com/watch?v=WhzcyYP6jYM>

Can you go on a shape hunt in your house and find the shapes we have learned so far in Reception?
