

Monday 16th November 2020

Today we will be ordering the numbers 0-5. You will need your number cards from your blue Maths folder.

First, let's get warmed up and sing 5 currant buns!

Time to watch the next Number Block episode "Off We Go."

<https://www.bbc.co.uk/iplayer/episode/b08cr0y7/numberblocks-series-1-off-we-go>

Get the numbers 0, 1, 2, 3, 4 and 5 from your Maths folder.

Practice ordering them. Don't forget to always start with the number 0. If you can do that, practice ordering your numbers 0-10.

What do you notice about the Number Blocks underneath? That's right, they are in the wrong order. Can you use the words **before** and **after** to explain how to correct them? For example, 3 is after 4.

It needs to be before 4.

What numbers are missing here?

How do you know?

Can you use the words **before** and **after** in your answer?
