Let's begin by practising the sounds we have learnt so far...

Let's watch this alphabet song, see if you can join in with the letter names and sounds...

Have a look at this picture, can you find something starting with s, a, t, p, i, n?

Have a look at this picture, can you find something starting with m, d, g, o, c, k?

Go on an initial sound hunt around your house, can you find something starting with each of the sounds we have learnt so far?

s a t p i n m
d g o c k e

You could practise writing these sounds too.
