WALT: Write a recount of Christmas Day

I am using my drawings to help me write a recount. I am trying to use Capital letters, full stops and time connectives.

Then

Next

After that

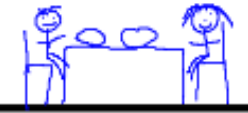

Finally

It was Christmas Day and I was super excited to see if Santa had visited. First, I woke up and checked my stocking. It was full! I opened up the little presents with my parents. Next, I went downstairs to look under the Christmas tree. There were so many beautifully wrapped presents, it was amazing!
