WALT: write a recount of my holiday

Josh has written a recount of Christmas Day. Magpie any words and ideas to help you with your writing.

My favourite day of the holiday was Christmas Day. I woke up really early!

First I ran downstairs to find lots of lovely presents in a red stocking hung on the fireplace. I couldn't wait to open up my presents from Santa! I was SO lucky, when I opened my presents, I had a new shiny silver bell, a book about cute penguins and a very fluffy grey onesie. Also under a large red blanket was a big blue bicycle.

Next I went for a fantastic ride on my new blue bicycle through the nature reserve, I loved peddling really fast through the muddy puddles.

After that I came home and ate the most scrumptious Christmas dinner, it was very yummy!

Finally, I was feeling very tired so laid down on my bed to read my new penguin book!
