Here are some activity ideas linking to the story.

Please choose at least one activity from the list below, or you could make up your own, to complete each day.

Make your own bowl of porridge, what toppings will you have? Write a list of the ingredients.	Make a chair or bed for baby bear from junk modelling materials.	Practise making your own bed at home.
Make character puppets and retell the story.	Gather bowls, spoons, teddies etc. and order them by size.	Create a portrait of your favourite teddy
Make a wanted poster for Goldilocks and describe who you are looking for.	Positional language - parent hides bear, child to explain where it is - on, under, next to, inside etc	Use construction toys such as Lego to build 3 different sized chairs.
Talk about how the characters felt in the story.	Look for different textures around your house, can you describe how they feel?	Make breakfast or a bear themed snack for your family.
Write a sorry letter from Goldilocks to the 3 Bears	Find other stories about bears and enjoy them with your family.	Do some bear art - painting, collage, drawing etc.

If you are able to, please record what your child makes, learns or discovers on Evidence Me, we would love to see!
