

8/1/21

WALT : make arrays (columns )

What is an array?

Objects or numbers in rows and columns.  
It makes it easier for us to count.

Rows go across.

Columns go down.

How many rows and columns do the above arrays have?

8/1/21

WALT : make arrays (columns )

There are \_\_\_\_ apples in each row .

There are \_\_\_\_ rows .

The total of apples is \_\_\_\_.

There are \_\_\_\_ trucks in each row .

There are \_\_\_\_ rows .

The total of trucks is \_\_\_\_.

There are \_\_\_\_ cubes in each row .

There are \_\_\_\_ rows .

The total of cubes is \_\_\_\_.

WALT : make arrays (columns )

Arrays - Columns ☆ **Bronze 8/1/21** Fluency & Precision 1

Look at the arrays and complete the sentences. We are looking at columns. ↓

There are \_\_\_\_ cherries in each **column**.  
There are \_\_\_\_ columns.  
\_\_\_\_ + \_\_\_\_ = \_\_\_\_  
There are \_\_\_\_ cherries altogether.

There are \_\_\_\_ cubes in each **column**.  
There are \_\_\_\_ columns.  
\_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_  
There are \_\_\_\_ cubes altogether.

There are \_\_\_\_ bears in each **column**.  
There are \_\_\_\_ columns.  
\_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_  
There are \_\_\_\_ bears altogether.

There are \_\_\_\_ counters in each **column**.  
There are \_\_\_\_ columns.  
\_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_  
There are \_\_\_\_ counters altogether.

WALT : make arrays (columns )

Arrays - Columns	☆☆☆	Gold 8/1/21	Fluency & Precision	1
Look at the arrays and complete the sentences. We are looking at <u>columns</u> .				
	There are ____ cherries in each <b>column</b> . There are ____ columns. There are ____ cherries altogether.			
	There are ____ cubes in each <b>column</b> . There are ____ columns. There are ____ cubes altogether.			
	There are ____ bears in each <b>column</b> . There are ____ columns. There are ____ bears altogether.			
	There are ____ counters in each <b>column</b> . There are ____ columns. There are ____ counters altogether.
