It's summer and the icebergs are melting in the sea. You need to go fishing to catch a Narwhal whale. Act out what you do, see, hear, smell and feel.

It's winter and you need to visit a friend in another town. The ground is covered in snow and ice. You get your dogs and sled and set off in the snow. Act out what you do, see, hear, smell and feel.

It's summer and the ice and snow is melting on the ground. You need to herd reindeer across the water and ice to higher ground. Act out what you do, see, hear, smell and feel.

The winter is getting colder and you need to build an igloo to protect your supplies. You need to shape and make the ice blocks then build the igloo. Act out what you do, see, hear, smell and feel.

It's summer and the sun has been out all day and all night for weeks. You celebrate with your family at the midnight sun festival. You are welcoming the sun and the longest day of the year. Act out what you do, see, hear, smell and feel.

It's winter and you and your family need to leave the house to get supplies from the shop. You have to dress in your warmest clothes, this takes a little while. Act out what you do, see, hear, smell and feel.
