Below are nine events that happen in Chapter 2 of the Iron Man.
Your challenge is to put the order of events in Chapter 2 into the right order.

You could either copy them out in the right order

OR cut them out and stick them in the right order.

Hogarth ran home to tell his family.

Days and months went by and the farmers thought the Iron man would not come back.

Hogarth's father got his gun and went around to warn the neighbours that a giant was near.

One night Hogarth thought he could catch a fox.

One day a boy called Hogarth was fishing in a pond.

The farmers got together and decided to dig a big hole to trap the Iron Man.

But the Iron man came back and Hogarth used the noise of a metal nail to lure him into the trap.

Hogarth looked up at the cliff and there were two headlamps.

The next morning all the famers' machinery was gone and there was a half-eaten tractor.
