Can you find the number 6 on a number line? Can you tell an adult where it is? Use the words 'before' and 'after' in your answer. Let's practise counting forwards and backwards to and from 10.

Numberblocks 0 - 10 Visual Number Line

Find 6 things in your house that represent 6. Here is what I found...

Don't forget to bring a pencil and a piece of paper to tomorrow's session.
