

Friday 15<sup>th</sup> January 2020

Today we are going to be revisiting 2D shape names and their properties. Let's recap the 2D shapes we have learned so far this year.

<https://www.youtube.com/watch?v=beTDz9HSNOM>

Watch the following episode of Number Blocks called 'Flatland.'

<https://www.bbc.co.uk/iplayer/episode/b0bp2qlb/numberblocks-series-3-flatland>

With an adult or sibling at home, play 'Guess the shape!' Pick a shape and describe it to your adult. Can they guess the shape you are thinking of?

*I am thinking of a shape...*

*It has 4 sides.*

*I has 4 corners.*

*It has 2 long sides and 2 short sides.*

*What is my shape?*

*It's a... rectangle!*

What shapes can you see in the picture below?
