aware

The story is in the correct order

Great recall of the story

Make sure you have all the most important parts of the story

You have 1 minute. How many foods can you write down that you would find in a supermarket.

WALT: Use *commas* in a list

What foods did you write down?

When we are writing a list of things in a sentence we use commas to separate them.

Let's put all those foods into a sentence.

I went to the shops and

WALT: Use commas in a list

How many animals
can you think of that
live in the sea?

Let's put all those animals into a sentence.
In the sea you can find

WALT: Use commas in a list

Commas in a list— Can you write a list of different animals you might find in each of the different habitats. Remember to use your commas.

On your sheet, have a go at writing what animals you might find in the different habitats.
