Let's begin by practising the sounds we have learnt so far...

Today we are learning a new sound.

This is *sh*.

The Phonics Fairy says - "shhh, shhh."

The action for *sh* is putting your finger on your lips and saying shhh!

Watch this story to help you remember our new sound...

Can you find things that have a *sh* sound in them?

This is how we write this sound...

sh has 2 letters, they are friends and hold hands, this means when we write this sound the letters are joined.

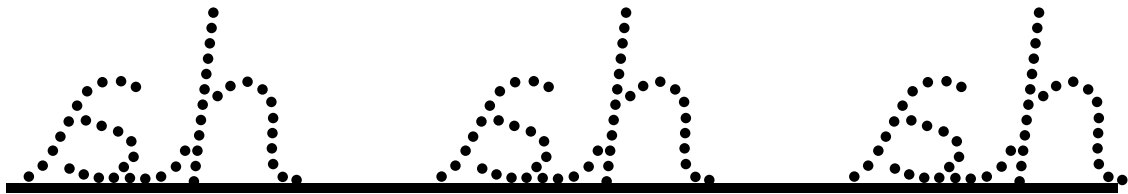

The Phonics Fairy says...

"Whoosh up and slither  
down the snake. Whoosh  
up tall, down the head  
to the hooves then  
across his back."

Practise writing it in the air using your magic finger.

Now practise writing this sound with your pencil.

Now practise reading words with our new sound...
