Uses of Everyday Materials

Changing Shape

Aim

- I can explain how the shapes of objects made from some materials can be changed.

Success Criteria

- I can tell you four ways the shapes of some objects can be changed.
- I can demonstrate four ways to change the shape of some objects.

Changing the Shape of Materials

How can we change the shape of objects made from some materials?

Can you think of an example of when you have changed the shape of something? What was it and how did you change it?

Which materials do you think would be easy to change the shape of? Why?

Which materials do you think would be more difficult to change the shape of and why?

Squashing, Bending, Twisting and Stretching

Squash an object by pushing both hands together.

Bend an object by grabbing both ends of the object and bringing the ends inwards together.

Twist an object by turning your hands in opposite directions.

Stretch an object by pulling your hands slowly and gently apart.

Changing Shape

Changing Shape

Explore the objects on your table and record your answers by putting a tick or a cross in each column.

Object	Can You Squash It? 	Can You Bend It? 	Can you Twist It? 	Can You Stretch It?
drinks can				
pipe cleaner				
sock				
drinking straw				
playdough				
bath towel				
sponge				
elastic band				

Explore the objects on your table and record your answers by putting a tick or a cross in each column.

Object	Can You Squash It?
drinks can	
pipe cleaner	
sock	
drinking straw	
playdough	
bath towel	
sponge	
elastic band	

Can You Stretch It?

The shape of all these objects could be changed in some way. See if you can find 3 objects which can't be squashed, bent, twisted or stretched. Write them down here:

Can You?

Have a think about these questions:

Can you twist a ruler?

Can you squash a ruler?

Can you stretch a pencil?

Can you bend a pencil?

Aim

- I can explain how the shapes of objects made from some materials can be changed.

Success Criteria

- I can tell you four ways the shapes of some objects can be changed.
- I can demonstrate four ways to change the shape of some objects.
