

Yesterday we were learning our hard and soft 'g' sounds

Hard 'g'	Soft 'g'

*As we read through this passage, try spot the different hard and soft 'g' sounds*

*The teenage girl and her grandma were packing their suitcases to go on holiday to Germany. Their flight was leaving from Gatwick airport at 10 o'clock. The girl had packed some green grapes to eat on the journey. She was very excited, she hadn't gone on holiday in ages! it was going to be great fun.*

WALT: Plan our own story

What can we change in our story board to begin creating our own story?

What could we change on our story boards?

## WALT: Plan our own story

Now it's your turn. Think of one or two ways that your story can change.

For example, changing the penguin to a monkey and changing the setting from the South Pole to the Amazon rainforest.

Stick a piece of paper over the items you're going to change and draw your new item on that paper. Or you could draw a whole new story board!
