

Monday 1st February 2021

Let's begin by practising the sounds we have learnt so far...

Today we are learning a new sound.

This is th.

The Phonics Fairy says - "th, th, thumbs up, th, th, thumbs up."

The action for th is doing a thumbs up!

Join in with this song to help you remember our new sound...

Can you find things that have a th sound in them?

This is how we write this sound...

th has 2 letters, they are friends and hold hands, this means when we write this sound the letters are joined.

The Phonics Fairy says...

"Whoosh up the tower, down the tower, then whoosh up tall, down the head to the hooves then across his back and then across the tower."

Practise writing it in the air using your magic finger.

Now practise writing this sound with your pencil.

Watch this song, listen for words with a th sound in them...
