Let's begin by practising the sounds we have learnt so far...

Today we are learning a new sound.

This is **ng**.

The Phonics Fairy says - "**ng, ng, thing on a string. ng, ng, thing on a string.**"

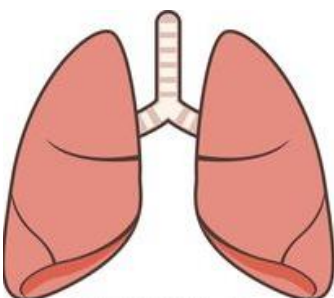

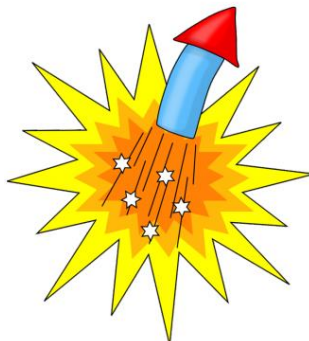

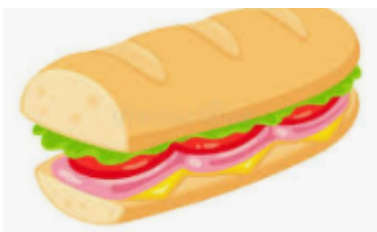

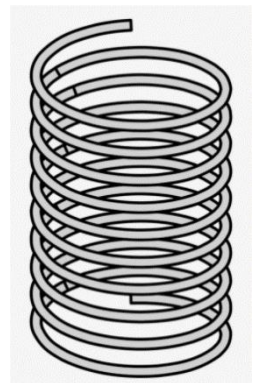

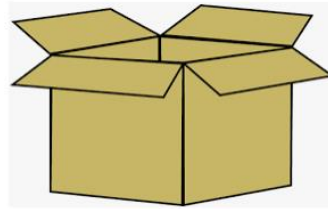

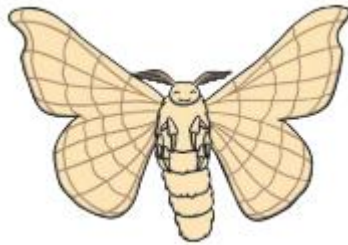

The action for **ng** is bouncing your hand up and down as if holding a thing on a string!

Make your own 'Thing on a String' to help you remember our new sound...

Can you find things that have a *ng* sound at the end?

This is how we write this sound...

ng has 2 letters, they are friends and hold hands, this means when we write this sound the letters are joined.

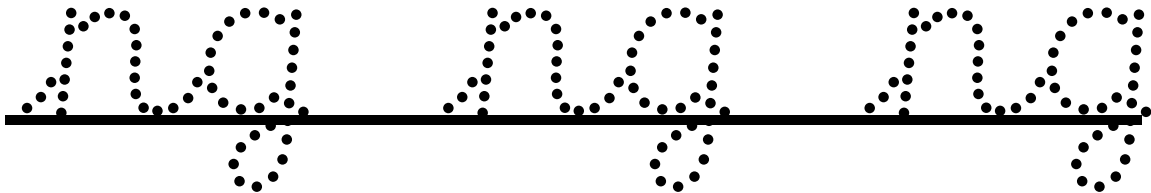

The Phonics Fairy says...

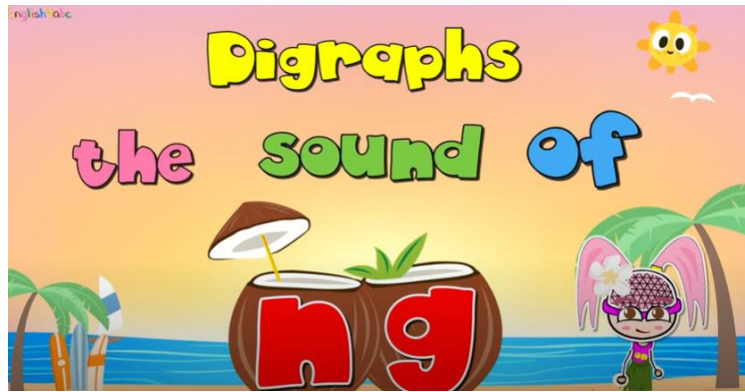

“Whoosh up, down and over the net, whoosh up, around the girl’s face, down her hair and give her a curl.”

Practise writing it in the air using your magic finger.

Now practise writing this sound with your pencil.

Watch this song, listen for words with a *ng* sound in them...
