

Yesterday we were looking at creating our own pictogram.

Key ● = 1

Fruit	Tally	Fruit	
Strawberry		Strawberry	
Pear		Pear	
Apple		Apple	
Peach		Peach	

How many circles do I need to draw in the Strawberry row of my pictogram?

Key ○ = 1

Fruit	Tally	Fruit
Strawberry	7	Strawberry ○○○○○○○○ ✓
Pear	9	Pear ○○○○○○○○ ○
Apple	4	Apple ○○○○
Peach	10	Peach ○○○○○○○○○○ ○

Key △ = 1

Flavour	Tally	Flavour
Chocolate	8	Chocolate △△△△△△△△
Strawberry	5	Strawberry △△△△△ ✓
Vanilla	2	Vanilla △△ ✓
Mint	1	Mint △ ✓

Good use of writing the total next to the tally to help you and then adding the right amount in to the pictogram

Key △ = 1

Flavour	Tally	Total	Flavour
Chocolate	6	six tens subtract 50 ones	Chocolate △△△△△△
Strawberry	4	4 tens - 3 tens	Strawberry △△△△
Vanilla	4	half of 4 tens subtract 17	Vanilla △△△
Mint	10	10 x 0 ones	Mint

Tally chart displayed well, especially when writing the tally for 5

Remember when tallying it's:  not 

WALT: Today we are learning how to find information using a tally chart

Favourite Animal	Number of Children	Frequency
Dog		
Cat		
Snake		
Bear		
Horse		

WALT: Today we are learning how to find information using a tally chart

1) 

2) 

3) 

Have a go at counting the tally numbers, write them down on your paper

4) 

5) 

WALT: Today we are learning how to find information using a tally chart

Here is a tally chart of the eye colours of people in class:

Eye Colour	Number
Brown	
Blue	
Green	
Grey	
Hazel	

Brown	
Blue	
Green	
Grey	
Hazel
