

Yesterday, we were writing a factfile about Penguins

Type of penguin: Emperor

Diet
it eats fish which
is very wiggly
and lives in the
water

Habitat
it lives in the
big blue sea
at the bottom

Interesting Facts
it can live in water
without for 22 minutes

Picture

Great information and description

Capital Letters

Type of penguin: Emperor Penguin

Diet
they eat krill fish
and squid

Habitat
they live in
Antarctic and it
is the coldest place
on the earth

Interesting Facts
if you do 6 700 will be
the same size as the penguins
They are super swimmers and
divers

Picture

Excellent use of subtitles
Good use of commas in a list

Try and add more detail

Let's find out a little bit more about the South Pole

<https://www.bbc.co.uk/bitesize/topics/zyhp34j/articles/zjg46v4>

WALT: Explain what to take on a journey to the South Pole

What would we need to take with us?

We need to:

- stay warm
- keep safe
- have shelter
- communicate
- eat and drink
- know where we are going

WALT: Explain what to take on a journey to the South Pole

Why do we need to take these things with us?

- stay warm
- keep safe
- have shelter
- communicate
- eat and drink
- know where we are going
