

WALT: Describe using our senses

Mon 1st - English

What do we think happens next?

Draw a picture of what you think could happen next to the polar bear in the story, then write a few sentences below explaining what you have drawn

I think he might jump
into the freezing sea and
swim back to his dad.
When he was at his dad
he said, 'Dad, I'm cold.'

Great use of commas in a list, and
power of 2 noun phrase

Try and predict how he gets home to his father and what might happen
along the way

What do we think happens next?

Draw a picture of what you think could happen next to the polar bear in the story, then write a few sentences below explaining what you have drawn

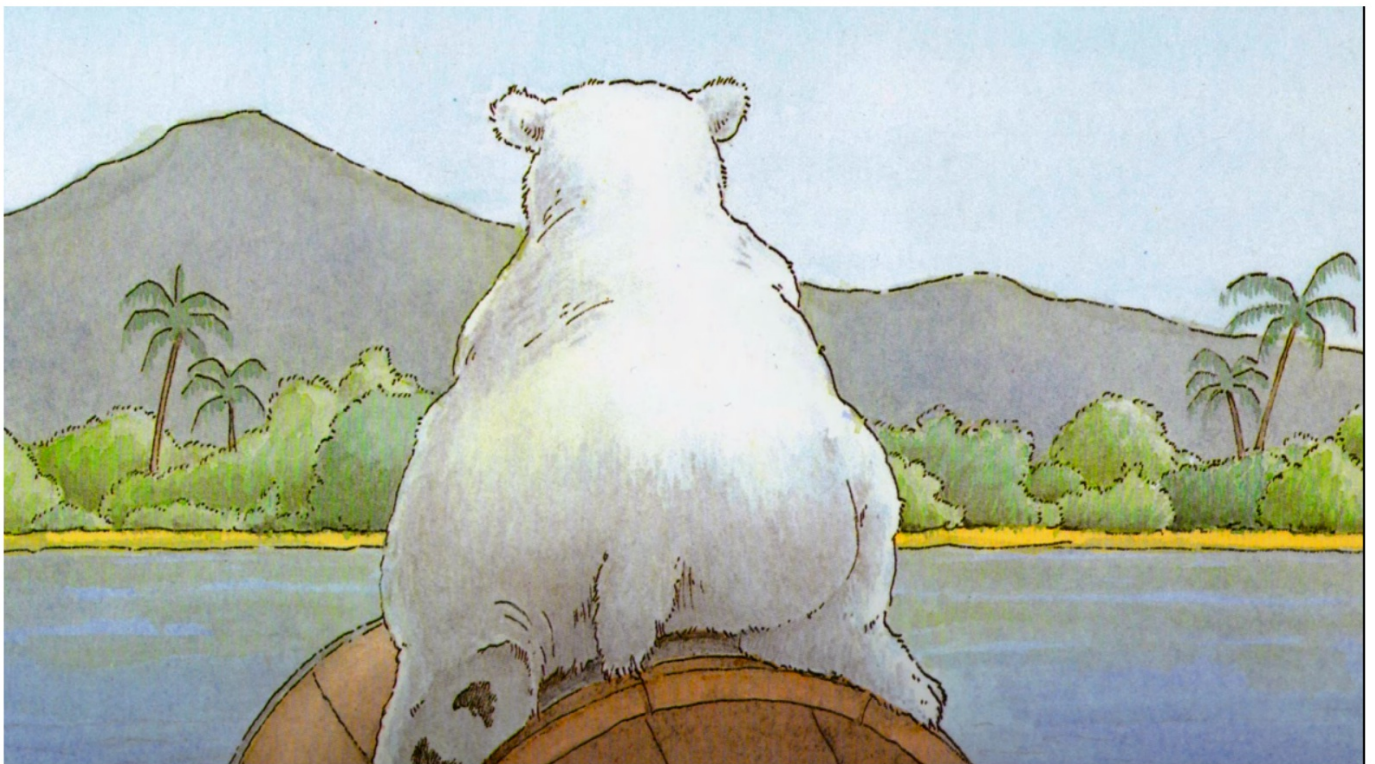

Lars gets washed up on the
beach and so he follows
the people to the zoo.
He is met by some
big tough polar bears
the polar bears said
get us out of this cage
so Lars helped the polar
bears so Lars said
can you help me too

Great prediction of the setting, the
characters and how Lars gets home
