## Monday 8"February 2021

This week we are learning all about the number 10 ! Let's get warmed up by singing 'IO green bottles.'
https://www.youtube.com/watch?v=TOooQv7oHvw

Watch the Number Block episode all about 10.

## https://www.bbc.co.uk/iplayer/episode/b08phr1g/numberblocks-series-2-ten

What do you notice about the number 10 ?
It has two digits, $a 1$ and a 0 . It is really important that the 1 always comes first because it is 1 block of ten. The 0 is there to tell you it is ten and nothing else.

Ten is both I ten and 10 ones. Can you see how the individual block lines have disappeared?

Look at your hands and practise counting all your fingers. Start with your hands down then move your fingers up one at a time.

We have already learned how to write the numerals in the number 10. Have a practice writing the 1 and 0 to form 10.
$\begin{array}{lll}\vdots & \vdots & \vdots \\ \vdots & \vdots & \vdots \\ \vdots & \vdots & \vdots\end{array}$
$\begin{array}{ll}\vdots & \bullet \\ \vdots & \vdots \\ \vdots & \vdots \\ \vdots & \ddots \\ \bullet & \vdots \\ & \ddots\end{array}$
$\begin{array}{ll}\vdots & \vdots \\ \vdots & \vdots \\ \vdots & \vdots \\ & \vdots \\ & \ddots \\ \bullet & \vdots\end{array}$
