

*Yesterday we were naming and recognising 2D shapes*

*Can we draw the missing shapes and write the missing names*

WALT: Make 2D shapes

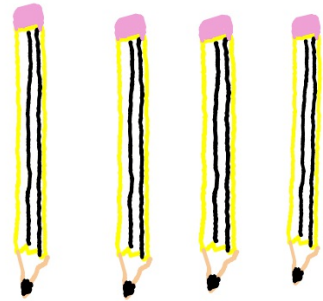

Go on a scavenger hunt around your house and try find something that is either a triangle, square, rectangle or a circle shape

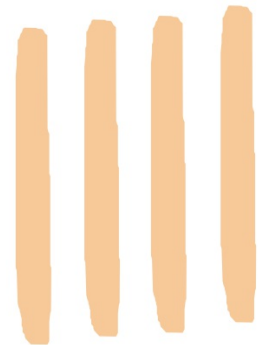

What did you find?

WALT: Make 2D shapes

How can I make a triangle out of pencils?

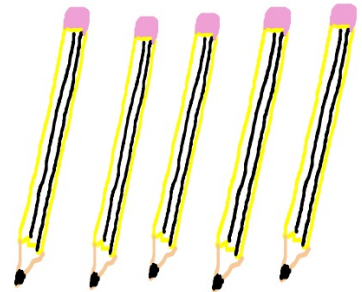

How can I make a square out of lollipop sticks?

WALT: Make 2D shapes

How can I make a pentagon out of pencils?

Could I make a circle out of pencils?

WALT: Make 2D shapes

Have a think how you could make different types of shapes

Triangle
