Let's begin by practising the sounds we have learnt so far...

Today we are learning a new sound.

This is ar

The Phonics Fairy says - "ar, ar start the car, ar, ar start the car."

The action for ar is pretending to drive a car.

Listen to this song about cars to help you remember our new sound, join in using our action...

Can you find things that have an *ar* sound in them?

Watch this song and listen for words with an *ar* sound...

Read the words on the cars and match them to the correct picture on the parking spaces...

This is how we write this sound...

ar has 2 letters, they are friends and hold hands, this means when we write this sound the letters are joined.

The Phonics Fairy says...

"Whoosh up and stop,  
around the apple and  
down the leaf, then  
whoosh up, down the  
robot's back and over  
his arm."

Practise writing it in the air using your magic finger.

Now practise writing this sound with your pencil.
