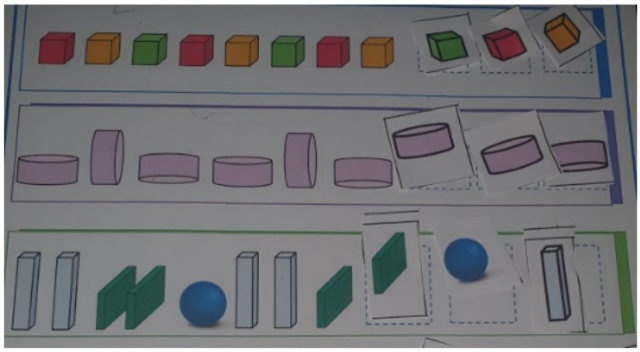
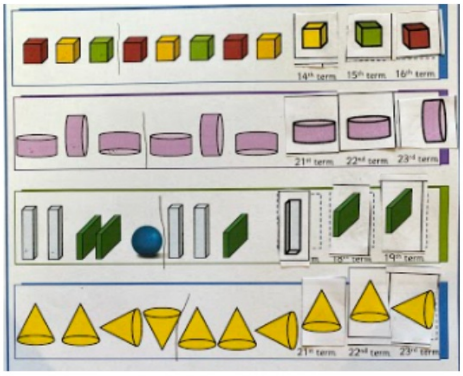
Last lesson, we were making patterns out of 3d shapes



You used colour to help you repeat the patterns when the shapes were the same



You worked out how many shapes before the pattern starts again

Make sure you keep checking the start of the pattern

WALT: Count pence

What coins can you see?

WALT: Count pence

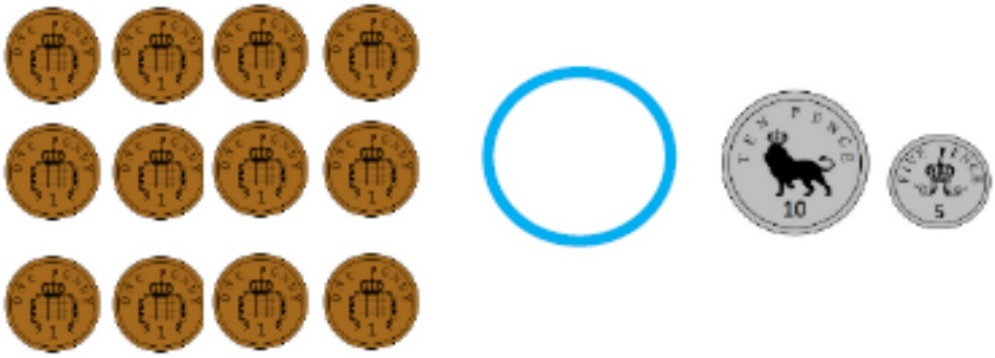
Can we put these coins in order of their value?

WALT: Count pence

WALT: Count pence

Use comparison symbols to compare the coins.

> = <



WALT: Count pence

= ____ p
