GENERAL SCHOOL UPDATE

Thankfully, there is nothing much to report as we are hopefully remaining fit and healthy on the illness and Covid front. We still are maintaining the hygiene regime at least until the end of this year.

We have the Year 6 children taking their SAT tests this week. They have all been working hard to do as best they can. Good luck to them all.

ROAD SAFETY

The children enjoyed their road safety activities last week with different year groups having a different focus. Reception investigated how to stay safe when they are out and about near roads with their adults looking after them, the dangers and what to do to make themselves seen. Year 1 looked at crossing the road with adults and making sure they were holding hands to keep them safe, Year 2 investigated where the best places to cross the road were to stay safe and be seen. Year 3's had their scooter theory training on how to remain safe whilst having fun on their scooters. Year 5's had the help of their parents to know how to be good pedestrians and stay safe on the pavements and roads. Finally Year 6's looked at their journey to and from school both to Almondsbury and what is to come when they transfer to secondary schools. Thank you to the South Gloucestershire Road Safety team for running the day and sharing the resources. Prizes were won by those who gave the best answers to questions in each year group.

PARKING

We have been asked by the management of the Glebe Nursing Home that parents refrain from parking in their car park at the beginning and especially at the end of the day. This is preventing residents families from being able to either park or leave the home and emergency vehicles. Thank you for your co-operation in this matter. We all have to work together within the local community to create a harmonious village.

VACANCY FOR ROAD CROSSING PATROL HERO

We are still looking for our very own School Road Crossing Patrol Hero. We are very keen for someone to join the Road Safety team to ensure that the children (and parents) remain safe on their way to and from school. If
