

Learning in Reception this week – 10th October 2022 – The Little Red Hen

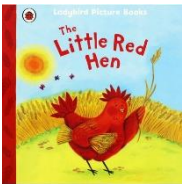

Drawing Club Vocabulary

Each week the children learn new words relating to our theme of the week. They learn an action to help them remember each word. Ask your child about the words we have been learning this week.

- Baking
- Ingredients
- Dough
- Kneading
- Rising
- Unhelpful
- Collaborating

Watch the story of the week here

Welly Wednesday

The children found out about **how trees look** and **what they do through each season**. They split into groups and worked together to hunt for natural resources to create a picture for each season. They showed great creativity and shared their ideas within their groups, using twigs, branches, leaves, grass and flowers.

Phonics

This week we have learnt the sounds:

r ss

We have also learnt s a t p i n m d g o c k
ck e u so far.

Maths

This week we learnt about the **number two**. We found things with a number 2 on: 2p coin, 2 o'clock, 2 spots on a dice, 2 spots on a domino (1&1 and 2&0). We also found things that come in **pairs** – socks, shoes and gloves. We found out about a shape which has 2 sides and 2 corners – a **semi-circle**.

We used 2 cubes to explore that “**one and another one makes two**”. We also learnt how to represent the number 2 by drawing 2 things, e.g. 2 lines, 2 dots, 2 crosses.

You can watch the Numberblocks ‘Two’ episode again here... [Numberblocks - Two](#)

RE

This week we learnt about **Islam** and took a **virtual visit to a Mosque**. We looked around and discovered key features.

Amazing Artists

This week we recapped British animator **Nick Park**. We watched an episode of **Morph** and then used playdough and tools to try and make a **3d playdough person**, like Morph.

Discovery Detectives (History, Geography, Science)

This week we have been learning about **how bread is made** and the ingredients needed. We made our own bread, it was delicious!

We found out that in different countries they have **different types of bread**. We tasted some different bread including a French stick, brioche, bagel, focaccia and flatbread.

Continue your learning at home

Visit a **bakery** or go to the supermarket and find the bakery section, choose a new bread to try **or** try making your own bread at home.
