Amazing Artists

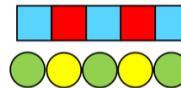

This week we have started learning about our new artist for the term – Wassily Kandinsky, a Russian Painter. We explored the primary colours – red, yellow and blue and what happens when we mix them together. We also learnt how to use the paint pumps and how to wash up our brushes and pots afterwards.

Maths

This week we have been learning about comparing amounts using the language of more and fewer. We have also been practising explaining how we know when something has more or fewer.

We also learnt about patterns. We watched the Numberblocks Pattern Palace episode and loved joining in with the Banana, Banana, Meatball song! We used resources to make 2 step repeating patterns.

Discovery Detectives (History, Geography, Science)

This week we began by learning about Guy Fawkes and why people celebrate Bonfire Night.

We also continued our learning about Autumn and enjoyed digging up vegetables from the veg patch and making soup during our Autumn day.

At the end of the week, we learnt about Remembrance Day and the significance of the poppy. We walked to the war memorial and laid poppies, joined in with a minutes silence as well as a round of applause as a mark of respect.
