

Out In The Forest

Track 1: full version
Track 12: backing track

1 Something is happ'ning here tonight,
 You might have heard that things aren't right.
 Out in the forest singing songs,
 Someone's busy righting wrongs.
 Out in the forest, out in the night,
 Things are happ'ning, happ'ning tonight.

Chorus *Is it our hero Robin Hood?
 He's always trying to do some good.
 He takes from the rich and gives to the poor
 So check your wallet, lock the door..
 Something is happ'ning, something is happ'ning,
 Something is happ'ning in here tonight.*

2 Something is happ'ning here today,
 Maybe the Sheriff's had his day.
 Times are a changing, wait and see.
 Sometimes things are meant to be.
 Out in the forest, out in the night,
 Things are happ'ning, happ'ning tonight.

Chorus *Is it our hero Robin Hood?
 He's always trying to do some good.
 He takes from the rich and gives to the poor
 So check your wallet, lock the door.
 Something is happ'ning, something is happ'ning,
 Something is happ'ning in here tonight.*

Are We Happy?

Track 2: full version
Track 13: backing track

1 Ask us are we happy; no, we're not!
Ask us what's the matter; quite a lot!
Never a day that's without a care,
Never a problem that isn't there.
We want to say, "Life isn't fair,
Life isn't fair at all".

2 Ask us are we happy; no, we're not!
Ask us what's the matter; quite a lot!
So many taxes we have to pay,
Eighty percent we all give away.
We are so poor we have to say,
"Life isn't fair at all, life isn't fair at all.
Life isn't fair at all".

Amen, Amen

Track 4: full version
Track 15: backing track

We like tender tasty things to munch on, amen.
But whenever there's a call
To help our brothers one and all,
We just think of eating and we find it hard to function.

Why are we so very greedy?
God forgive us here today,
Help us change our selfish way.

Why are we so very greedy?
God forgive us here today,
Help us change our selfish way.*

Maid Marian's Ladies

Track 5: full version
Track 16: backing track

1 We are Maid Marian's ladies,
We care for her needs ev'ry day,
Brushing and combing her tresses
And helping in any old way.
If there's a pimple that shows,
We powder her nose,
We smarten and straighten her clothes.
If there's a shoe that won't fit,
We stretch it a bit,
So nobody here would ever, ever know.

2 We are benevolent ladies,
Supportive in every way.
We give advice and assistance
And keep all those problems at bay.
If there's a dip in her slip,
We hitch it a bit,
Then get out the needle and thread.
If there's a hair gone astray
We never delay
To comb ev'ry hair on her pretty little head.

Instrumental

3 If there's a pimple that shows,
We powder her nose,
We smarten and straighten her clothes.
If there's a shoe that won't fit,
We stretch it a bit,
So nobody here would ever, ever know.

We are Maid Marian's ladies,
We care for her needs ev'ry day,
Brushing and combing her tresses
And helping in any old way.

What A Man

He's our knight in shining armour,
No-one can deny.
He's a friend doing good,
He's the greatest, Robin Hood.*

1

He fights against oppression,
Justice for the poor,
He's the kind of man that Sheriff can't ignore.
Vict'ry for the workers,
Standing for the right;
He is now our champion,
We'll stand with him and fight.

Chorus

He's the greatest, Robin Hood.*

You are
Our guy.
Robin, Robin
Friend, Robin Hood.*

2

He'll beat that wicked Sheriff,
Show him to his face,

He will stand for right,
He is now our champion,
We'll stand with him and fight.

Chorus

I'll Make Them Pay

Track 7: full version
Track 18: backing track

1 (Sheriff) I'll make them pay, I'll make them pay;
I'll line my pockets and I'll make them pay.
I'll make them pay, I'll make them pay,
I'll line my pockets and I'll make them pay.
'Cause I'm the meanest sheriff ever to live,
I like to take from the poor in order to give
More to the rich, the grand, the mighty;
And who are the rich? Why, me; why, me!

2 (All others) He'll make us pay, he'll make us pay,
He'll line his pockets and he'll make us pay.
He'll make us pay, he'll make us pay,
He'll line his pockets and he'll make us pay.
'Cause he's the meanest sheriff ever to live,
And he will take from the poor in order to give
More to the rich, the grand, the mighty;
And who are the rich? Not, me; not, me!

3 (Sheriff & all others sing in unison) (Sheriff) I'll make them pay, I'll make them pay,
I'll line my pockets and I'll make them pay.
I'll make them pay, I'll make them pay,
I'll line my pockets and I'll make them pay.

(All others) He will make us pay.
He will make us pay.
Ev'ry single day,
He will make us pay.

Day after day he'll make us pay.

Robin Of Locksley

Track 8: full version
Track 19: backing track

1 (Robin) My name is Robin of Locksley
And they call me Robin Hood.
I've tried my hand at arch'ry
And they say I'm pretty good.
I practise ev'ry day
With my companions in the wood,
Oh, my name is Robin of Locksley
And they call me Robin Hood.

2 (All) His name is Robin of Locksley
And we call him Robin Hood.
He's tried his hand at arch'ry
And we say he's pretty good.
We practise ev'ry day
With his companions in the wood,
Oh, his name is Robin of Locksley
And we call him Robin Hood.

3 (Robin) My name is Robin of Locksley
And they call me Robin Hood.
I try to do my best
Although I'm quite misunderstood.
When I get to the tournament
I'll win it like I should,
Oh, my name is Robin of Locksley
And they call me Robin Hood.

4 (All) His name is Robin of Locksley
And we call him Robin Hood.
He tries to do his best
Although he's quite misunderstood.
When he gets to the tournament
He'll win it like he should,
Oh, his name is Robin of Locksley
And we call him Robin Hood.

Marian's Lament

Track 9: full version
Track 20: backing track

- 1 I can't believe what I have done,
Could I have ever known?
Painful the thoughts that he's the one,
Bound by the love I've shown.

Chorus (All) *I cry to God above
For the sake of the one I love.
How can I find a way?
(Marian) It seems all I can do is wait here and pray.*

- 2 (All) If I'd pretended not to care,
Would he have stayed away?
How could I be so unaware,
Foolish the part I've played.

Chorus (All) *I cry to God above
For the sake of the one I love.
How can I find a way?
It seems all I can do is wait here and pray.*

- 3 (All) Tell me that all has not been lost
Here on this fateful day.
Tell me there's still a hope for us,
Robin will find a way.

Stop The Fighting

Track 10: full version
Track 21: backing track

1 We've got to stop the fighting,
It may seem quite exciting
But this will get us nowhere at all.
There is nothing to be gained
When we cause each other pain,
We can work it all together for sure!

Chorus *Standing for the right is the name of the game,
Learning to respect ev'ry person the same;
For if we treat one another like sister and brother,
We're sure to work it out okay.
Standing for the right is the name of the game,
Learning to respect ev'ry person the same;
For if we treat one another like sister and brother,
We're sure to work it out okay.*

2 You might think that it's trendy,
But why be so unfriendly?
This fighting isn't really so cool.
If we take the time to talk,
Listen to each other's thoughts,
We can work it all together for sure!

Chorus *Standing for the right is the name of the game,
Learning to respect ev'ry person the same;
For if we treat one another like sister and brother,
We're sure to work it out okay.
Standing for the right is the name of the game,
Learning to respect ev'ry person the same;
For if we treat one another like sister and brother,
We're sure to work it out okay.*

No need to fight, get it right
Let's not fight on this night.

Out In The Forest (Finale)

Track 11: full version
Track 22: backing track

1 Something has happened here tonight,
 We have begun to put things right.
 Out in the forest singing songs,
 Great excitement all night long.
 Out in the forest, to our delight,
 It's been happ'ning, happ'ning tonight.

Chorus *It was our hero Robin Hood.
 He's always trying to do some good.
 He stole from the rich to give to the poor
 But now he needs to steal no more.
 It's all been happ'ning, it's all been happ'ning
 It's all been happ'ning in here tonight.*

2 Greater rejoicing through the land;
 Robin has won Maid Marian's hand.
 Congratulations, what a man.
 Things have changed in Nottingham.
 Out in the forest, out in the night,
 It's been happ'ning, happ'ning tonight.

Chorus *It was our hero Robin Hood.
 He's always trying to do some good.
 He stole from the rich to give to the poor
 But now he needs to steal no more.
 It's all been happ'ning, (claps)
 It's all been happ'ning, (claps)
 It's all been happ'ning, happening tonight.*
