FRIDAY 17 MARCH

### COMIC RELIEF

It was Comic Relief day last Friday. Thank you for your generosity as we collected £188.87 for the charity. The children were a sea of red for the day.

### YEAR 3 AND 4 WOW DAY

On Friday, Year 3 and 4 had their WOW Day where they took part in some exciting activities around their topic of 'Natural Disasters'. They had great fun making and erupting their own volcanoes using materials you can find around the home, as well as watching the effect mentos have on coke. It was pretty impressive! They also learnt lots of facts and watched a demonstration about what causes earthquakes. The children also had the opportunity to think about what would be important to pack in a rucksack in preparation for a survival situation – they had some fantastic ideas. The day was concluded with watching The Iron Giant, based on the book we have been studying in English this term. A great day had by all!

## RE AT ALMONDSBURY

RE lessons are taught weekly. As a church school, we follow both the South Gloucestershire Scheme of Work for non-Christian units and Understanding Christianity. The children learn about:

- Islam
- Hinduism
- Judaism
- Sikhism and
- Humanism

This includes learning aspects of the faith, customs and festivals as well as traditional stories linked the faith. The children learn about what it is like

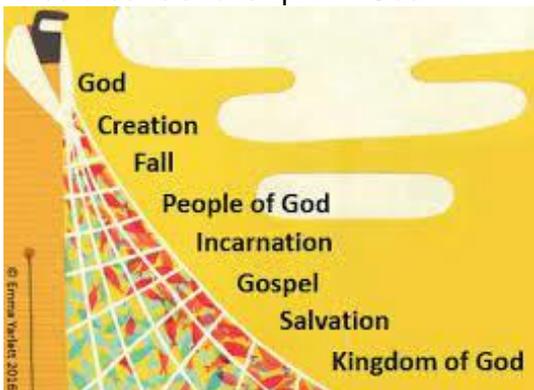

for people who follow these religions so that they may gain a better understanding and appreciation of what is important to people of these faiths.

We explore these across 4 concepts through 'Big Questions':

- Expressing - How do people express themselves through the religion?
- Believing - What do people believe within the religion?
- Living - How do people live their lives according to the religion?
- Learning - What can people learn about/from the religion?

Within Christianity, the children learn about what it is like for people who are Christians. The children explore the concepts of:

- God - Belief in God, Father, Son and Holy Spirit
- Creation - Humans are made in the Image of God
- Incarnation - Jesus the Messiah and Saviour
- Gospel - Good news for all people through Jesus' teachings
- Salvation - Jesus' death and resurrection
- Kingdom of God - a vision of life lived on the way God intended and
- People of God - the story of God's plan...to save humanity through choosing a people who will model a restored relationship with God.

The children explore the Bible through:

- 'Making sense of the Text' - *Developing the skills of reading and interpretation, understanding how Christians interpret, handle and use biblical texts and making sense of the meanings of texts for Christians.*
- 'Making Connections' – *Evaluating, reflecting on and connecting the texts and concepts studied and discerning possible connections between these and pupils' own lives and ways of understanding the world.*
- 'Understanding the Impact' – *Examining ways in which Christians respond to biblical texts and teachings, and how they put their beliefs into action in diverse ways within the*

Christian community in the world.

## CHARLIE FROUD FOUNDATION

This year the School Parliament have decided to support a very local charity, which is based in Almondsbury – The Charlie Froud Foundation. The charity support mountain rescue teams as well as other local charities such as the Jesse May Trust. The children have been set the challenge of collecting as many

one penny coins as possible between now and 30 June 2023. We know that at the moment there are some tough choices being made by families so please do not worry if you are unable to give anything between now and then but if you are able to then please do send in your one penny coins. This is also a competition between the other local schools. The school which collects the most coins will receive £1,000 as a reward kindly donated by the Forss family who are trustees. Thank you in advance.

**We can see those collection jars in each class growing daily and weekly. Thank you so much for your contributions so far.**

We are busy making plans for the Fun Day already. In order for the event to run we do need a few volunteers. Please can you contact us at [almondsburyschoolpa@gmail.com](mailto:almondsburyschoolpa@gmail.com) to put your name forward to help with either the setting up, to run one of the stalls and with the packing up. If we can get enough volunteers this can be done on a rota basis so that you can enjoy the fun day yourself too. The more people that help the lighter the work. The event will run from 12:30-3:30 (with a disco from 2:30-3:30). Set up will be from 9am and the majority of the packing up afterwards can be done whilst the disco is running.
