

### Drawing Club Vocabulary

Each week the children learn new words relating to our theme of the week. They learn an action to help them remember each word. Ask your child about the words we have been learning this week.

**Drawing Club will begin next week!**

### Phonics

This week we have learnt the sounds:

**g o c k**

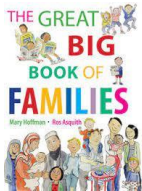

We have also learnt s a t p i n m d so far.

### Amazing Artists

This term we are learning about British animator **Nick Park**. This week we have looked at some of the characters he has created including **Morph**. We then used playdough and tools to create **playdough people**.

### Watch the story of the week here

The Great Big Book of Families

### Maths

This week we learnt about the **number zero**. We have been using language such as none, nothing, empty. We practised writing the number zero using chalk on the playground.

You can watch the Numberblocks episode again here... [Numberblocks Zero](#)

We have also been **matching, sorting** and **comparing** objects.

### Discovery Detectives (History, Geography, Science)

This week we have looked at **families around the world**. We have discussed the things we enjoy doing as a family, festivals we celebrate and occasions we share. We also looked at the **similarities and differences** between families.

### PE

This week we enjoyed playing lots of **parachute games** with our friends in the hall.

### Welly Wednesday

This week we learnt about different **parts of a tree** and then created our own human tree. We explored the field and **made nests** using leaves and sticks.

### RE

This week we introduced **Christianity**. We learnt that **Christians** have a special book called a **Bible**. We listened to the Calming of the Storm story from the Bible.

### Continue your learning at home

Talk about **who is in your family** and write a message to them (you could use your secret symbols!)
