HARVEST FESTIVAL

Our Harvest festival went very well with the children singing beautifully. We focused this year on the work of the farmers to tend the land and harvest the crops that we eat and how thankful we should be for this. The harvest display looked fulsome with tinned and packet goods alongside the harvest loaves. All of the food that was donated by yourselves has been sent to the food bank namely the Five Loaves and Two Fishes charity of St Paul's in Bristol. The loaves were shared during the afternoon with all of the pupils, they were delicious! Thank you for all your contributions, they were much appreciated.

WORLD CUP TAG RUGBY

On Tuesday 3 October, Almondsbury tag rugby team (representing Chile) took part in their own World Cup Rugby tournament. They were a great team, working brilliantly together to win all their games. There was some great passing and defending skills, with some brilliant dodging and dynamic tries. Great work!

Player of the team was Ethan for his focus on the game even when his team weren't playing and for ensuring his whole team were included.

REAL PLAY WORKSHOP

A big welcome to the new reception children and their parents. Thank you for participating in our RealPlay workshop during the first week of term. The children thoroughly enjoyed the sessions and were incredibly active pirates. Almondsbury School highly values the importance of an active lifestyle and school day, in developing our children's fine and large motor skills, personal and social skills and ensuring they are ready to learn with energy and confidence. Your support in this, both encouraging your children and playing active games alongside them, promotes a great ethos for them in their learning.

SAFEGUARDING POLICIES

Every year we must update our Safeguarding Policies in light of the updated guidance from Keeping Children Safe in Education 2023. Here is the link to the policies that we are required to publish to parents and all stakeholders. PARKING

This is the usual plea to make sure that you are parking responsibly when dropping off and collecting the children from school. We have received a couple of phone calls from members of the public but also parents regarding parents who are parking on the double yellow lines on the bend at the top of the road by The Glebe entrance. This has made it unsafe and tricky for the flow of traffic on several occasions. Please do find an alternative place to park. The Glebe and the doctors have also been in touch to say parents are either parking there or blocking the entrances. Please do be aware of other residents and services that require access at all times. We are also seeing an increase of parents dropping off children right outside the school gates or pulling in. This is not acceptable so please refrain from doing this. A reminder that you can

park at the Bowl car park or the garden centre to ease this and walk down to school. This is for the safety of the children.

PARENTAL E-SAFETY NEWSLETTER

The latest parental e-safety newsletter is attached to the newsletter. This month the focus is on live streaming and the parental controls that can be placed on websites. The most important aspect is ensuring what games your children are playing online and who they may be communicating with whilst playing games. Please be aware of this.

FREE SCHOOL MEALS

In these difficult times we would like to remind that your child may be eligible for Free School Meals. Please check out this link www.southglos.gov.uk/schoolmeals. This even applies to children in Reception and KS1 who are already entitled to Universal Free School Meals as this brings in additional funding to support your child.
