

**Revision Schedule Term 4 and 5 2024 English for Mrs Owen and Mrs Goode's Year 6s**

This term we will be covering the remaining writing genres and areas of grammar we have not yet looked at as well as revisiting some from earlier in the year. We hope that the children will find this useful to develop their understanding and writing skills. We have included references to relevant pages in the CPG KS2 English Study and Question books. We will also continue to send home additional grammar homework fortnightly.

Please note that this overview is subject to change as time spent on some topics may need extending or reducing to meet the needs of the children. However we hope that the information below will provide you with a point of reference at home to consolidate, support and extend your child's in-school learning.
